

Reasons to Impeach the President and White House Administration beyond the recorded incompetence of all Heads of any United States Government Departments.

All Washington, DC Narcotics Activity is Directed from Europe and attacking a World Peace Organizer. Narcotics traffickers used Washington, DC was used because it was not functionally a State or a City.

Electronic and Synthetic Narcotics, Steroids suspected tested and experimented with in the White House. The “Nuclear” issue announcements from the White House would signal and reflect narcotics activity = New Narcotics.

Screenplays are the same as use of a Prescription in the daily routine of a targeted Legislator or Businessman. Activities supporting the UK GB, Bollywood, Canada and Hollywood’s Actor’s information theft, automatic script writing system:

Racketeering:

- Horse Racing rigged with Satellite System manipulation, horses guided by the rail,
- Blue Screen sports, plays of one game repeated in another on the same day,
- Press Box sports casters sending signals to the stalkers of targets, children, politicians and businessmen, while watching television,
- Accidents created, directed, with the projection of ‘rails’ on the side of the road, accidents feel like bumper car rides electronically directed.

END SHELL GAME PARTICIPATION

The Shell Game from the UK GB scripted all responses from Europe’s Leadership during the first Iraq War of 1990. State Sponsored Terrorism initiated outside of the United States Government created a dysfunctional shell game that attempted to eliminate the path the United States and Europe was to take toward reconciliation with all Third World Countries.

Europe’s Constitution is written in Cult Language.

Narcotics Cult members used ideas in the 1980's and 1990's that became movies:

Ocean’s Eleven

Italian Job

Highlander tactic of use of electricity as a feeling of Power

Newly arrived immigrants, targeted electronically kidnapped people trying to “fit in”, playing a Mafioso, Klan or “Over the Hedge” Family game, Narcotics traffickers tried to convince people to go along with the shell of legalization of Narcotics sales with the introduction of signals while threatening the businesses and reputation of people participating and telling rumors or pretending the shell game was a fact in businesses that don’t participate.

Actors and Aryans, Legislators used as a Narcotic or Steroid:

- Narcotics traffickers use scenes in movies to provide an electronic feeling, a narcotic high, connecting themselves to actors and the actor's network of Hindi Pakistani "hands", slaves. Narcotics traffickers would have a perspective of a movie or television actor and not of someone with responsibility or with the intent of taking responsibility.
- Movie-links were at work with the direction and manipulation from stalkers from the Russian, Central-South Americans, and Hindi Pakistani. Manipulation of a stalked person's Life would be dictated with a "play" or scene from a movie.
- Electricity is used to create a feeling of impenetrability, power or status, and is the same narcotic used in the UK GB's "Highlander" movie tactic of becoming "Top Dog."
- Legislators are stalked by people who have the "Highlander" tactic in mind, use anything with a continuously running motor to gear and maneuver Legislators, run script or screen plays to the Legislators or staff's mind like a pressure plate used in road intersections. Suggestions are audiated as thoughts by people stalking other people. If you audiate your thoughts those thoughts most likely are not your own thoughts. The screenplay that was used to direct activity before the Illegal European Demolition of the NYC World Trade Center and Pentagon was based on activity directed in the same way from Europe and Hawaii.

Information theft endorsed from the Bush Administration with the Patriot Act, as thought the actor's information theft network of Hindi Pakistani and Latino spies were a signal from the Narcotics "God", is fueling any interest in the acting, writing, screenplay writing community. Actors worked on tooling and mechanizing commercial activity around a new underground of skaters, bikers and Hikers. Children are encouraged to spy on Non Aryans, manipulate their families and lives and claim dominance over a Town or City.

All activity directed from the UK GB became a plan from the isolated observation and direction of a World Peace Organizer from Hawaii who worked at a public school named Kaiser High School and a private school name Sacred Hearts Academy.

Actors manipulated the lives of Legislators, and the World Peace Organizer to affect the actors "rule" in the UK GB and in TenDowning. TenDowning has been out of control for the past 16 years. The target for death of Blair before and after entering TenDowning was used instead to manipulate all countries in the European Union and now poses the same liability for the United States Government. The White House is being used to manipulate other countries with the maneuvering and direction of any Military personnel.

After 1979 the United States Government had known there was no enemy on Earth against it. Manipulations within the Narcotics traffickers organizations are believed to be

the only activity directing the United States Military after 1979 in a “Highlander” approach to gaining power. The “Highlander” tactic appears to be the only thing driving any War interest from the UK GB. The question would be from the UK GB, “who does as much narcotics as I do and would they be a threat.” The tactic from a mind on Narcotics is believed then be total computer control of Life on Earth to direct any electronic aggressive impulse elsewhere and use other people’s money to destroy Old European enemies not known after 1979.

Titles from the UK GB were manipulated from the Actor’s Narcotics cult to endorse greed. All titles given after Sir Richard appear to follow the reasoning of the “Highlander” on Narcotics.

- Satellite connection to Gitmo and AbuGrahیب electronically connected to the Legislators while S&M Bordello plays were being used to direct the Prison Guards was used as a narcotic. The electronic likeness of the Prison Guards was being used to create a sense of power for any Aryan against any Non Aryan and kidnapped Legislator or Businessman for the past six years.

Not Homo Sapient Life, Not Natural Addiction to Things, 100% Adjustable People:

UK GB narcotics addict’s electronically adjusted way of Life created addictions to people or things, activity, obsessive compulsive behavior. UK GB or Europeans would be “driven” to find people to talk to that gave them an electronic “high” in the form of a targeted or keynamed person. To maintain any Narcotics organization or appearance of dominance, the Latinos and UK GB have been playing a game with Cable television networks and scheduling. Not Natural addiction to the schedule itself is what the actors and extras, screen writers and novelists would use to fill their time.

Children stalked and pressured to join a skater’s gang or group of people that stalked and talked about targeted people would have an addiction to Actors or activities that correspond to the Narcotics addicted stalker’s daily schedule.

Actors that infiltrated the Business community, people well known like LarryEllison, “What’s the difference between God and LarryEllison? God doesn’t think he’s Larry Ellison.” The business community played a racketeering game that pushed for more influence in the Legislature and WH. People like Steve Case stalked Hawaii targets that were connected to networks of Asian investors. Steve Case is keynamed and connected to Steve Jobs, Bill Gates and other “Highlander” fanatics who appear to be creating a Weapon of Mass Destruction of their companies.

Hiring Schedules, work Schedules and reporting schedules are used in these companies to transmit or send signals to the News Agencies coordinated with information from the targeted and stalked people in the Legislature and Business community. If a targeted person was being

manipulated in a “surreal” scenario, advertisements would correspond with what the stalkers were thinking about while stalking the target and what the target was made to think about.

Q: Who thinks about directing or ruling Earth?

A: Only Narcotics Junkies, the Narcotics Cult. The President of the United States would not think of ruling Earth.

Anyone who says there is a President thinking of or who had thought of Ruling Earth does not know the Mexicanos trying to meld with that President to take control of him or her and Rule Earth with Narcotics Dealers of Germanish nations.

A UNITED STATES GOVERNMENT EMPLOYEE OF SOUND MIND AND BODY WOULD SAY:

'All elected Leadership of Countries stand together to heal children's communities without directing any communities outside of their own Countries.'

The United States knows who is representing what, any Mexicano Central or South American representing the United States in any legitimate capacity would not view the WPO as a threat.

It wouldn't make sense to view the World Peace Organizer as a threat. The Bush family was wrong in redirecting any benefit from the World Peace Organizer to the Germanish.

Who is it that sees the World Peace Organizer as a threat?

There is Zero code, cult language, zero mission, zero games.

If President Bush isn't doing his job, if all departments of the United States Government aren't meeting the expectations and requirements of the Federal Government's responsibility there needs to be an Impeachment.

Irish Actors group of Narcotics junkies are trying to construct a remote control for the United States and are directed from a Diseased mind failed.

The United States has narcotics junkies with diseased minds that can't stop themselves from thinking or directing people, can't differentiate the difference between right and wrong, and need to sleep for at least a week to one month straight solid sleep.

A sinister UK GB writer's mind with this disease would continuously audiate thoughts, directives and direction.

A reinforced diseased mind in California would appear normal, and attempt to direct. Actors are under a false impression of why they were pointed at and pushed to seek leadership positions.

The Germanish directed by a UK GB writer intended to try to take over the United States Government with or without the UK GB.

The United States Government intend for all Countries to be represented in any policy decision. In the 21st Century the safest position in any marketplace would be to represent the good of all people on Earth. The United States is a strong Democracy because of the God fearing founders who did not have the use of the ECHELON Space Satellite System.

The confused movie-linked mafioso like Mexicanos who wanted to back up any statement of the California leadership with firepower, and the Geramanish directed by a UK GB writer trying to justify his job defended Aryanism is trying to threaten the use of firepower the same way. The sane Mexicanos knew Mexico would lose lives in the process of flushing the mess out of Washington, DC.

Hindi Pakistani knew the Hindi Pakistani would be asked to leave. The only way for the Hindi Pakistani to defend the UK GB is to cease and desist any attempt to take control of the UK GB, cease any pretense of directing and defend the Constitution of the United States. A Hindi HG and UK GB Actors group would be the only group trying to take control of any situation.

Children in High School acting like those with a diseased mind need to have a solid week of sleep.

A Child's diseased mind in HG would not let go of the fact that the HG wasn't wanted, was targeted for dehumanization to death and everyone else was wanted alive. So if the HG had a complaint against the government, the Actor would not receive any satisfaction to the point of condemning all of the HG supposed friends, and the people promoting Aryanism. The UK GB had no intention of following HG's orders to improve any Government entitlement.

All the actors, Hindi Pakistani followed HG's 'way', motives for doing things, reasons for and way of existing. California actors had no intention of doing anything other than acting, Mexicanos trying to control California are using Schwarzenegger's movies as script. Schwarzenegger is being directed to use those scripts.

Germanish have to take responsibility for trying to direct the UK GB instead of trying to point blame. With the facts known, the Germanish would not be in the position to take responsibility by taking charge. The Germanish are closely connected to the diseased mind of the actor HG.

Narcotics Traffickers are Out of Control, there is Zero System:

The Narcotics traffickers use the television and cable schedule and the Advertising schedules to plan and program their future activity in a made up system that does not make sense and does not reinforce Homo Sapiens Life or any Life on Earth.

UK GB Narcotics traffickers and stalkers pretending to be actors in the year 2000, only thought about the actor's movies in an attempt to make all of the actor's movies reality. The World Peace Organizer connected to these people read information into their screen writing system that made it appear as though all print news and advertising and all television broadcasts were about the World Peace Organizer. The United States Government was talking about the World Peace Organizer as though the World Peace Organizer were Ossama Bin Laden at the time.

An Exodus of Non Europeans from Europe with planned used of Electronic Terrorism Failed.

UK GB European Union Electronic Economic Terrorism Failed.

Electronic Terrorism of Europe Failed, could not work and failed because facts of economies and people were not used in any attack, oppression or exploitation. Electronic Attacks on well being and health were only done with Aryanism and Electronic Narcotics in mind.

There is no such thing as a "Style" in Homo Sapient Life that electronically dictates how people behave, act or earn money, what level of income they achieve and what kind of people they know or associate with.

Modernism was an European idea to keep people safe or maintain private personal preference. There is no such thing as modernism outside of personal preference. Parents repeat what their parents did with their children only as a choice. The UK GB wanted to electronically impose a repeat of anyone's Life, activities or movement on people and use stories of rich or poor people's lives as weapons. Movie-linking became a weapon with the use of electronic synthetic Narcotics, meth-amphetamine and the ECHELON Space Satellite System.

The UK GB campaign to Modernize included the idea that people were stuck in a 'caste' or class of people if they were brought up in poverty they could not rise above any class of people. Talk of "the shrinking middle class" was only of a rehearsal of the UK GB view of their fake rule of Earth. The UK GB was infiltrating, trying to gear and tool the Middle East's upper class at the time and only talked about themselves as though they were Middle East Royalty.

UK GB's De-evolution campaign is only about the same kind of myopic Old European thinking that automatically kills Life on Earth off and uses the mind set of a Narcotics Abuser, Gitmo or AbuGrahیب prison guard.

Narcotics Cult, Myopic and Detrimental to Well Being of Life on Earth: The UK GB wanted to make the criminals the UK GB were working with to terrorize stalk and threaten targeted people appear "Larger than Life", with Actor-like popularity, actor look-alikes doing things the criminals were doing, or styling actors to be like the targets and criminals the UK GB were working with.

The screen writers and actors thinking of the target while working, writing or acting, would be linked electronically to the target or criminal to mentally confuse or slow down any work the criminal or target was doing.

The News Agency attack before September 11, 2001's demolition of the World Trade Center and Military Pentagon complex was done with the narcotics cult members, narcotics users of the UK GB in mind. News did not make sense, talked only of Sports-like references to country's political parties, Religions, and took cues from the Germanish being used in the UK GB's dictated "Game of Life" using Germanish history including a genocide.

News reporters targeted by people who didn't know what they were doing would be dictated to from the Narcotics Cult members using commercials, sit-dramas, sit-coms, and advertisements from Agencies that had been infiltrated and scripted in an Array system in the 1990's. All news was verbatim or commentary on only what was coming from AP, Reuters or Newswire agencies with Zero Analysis to represent unprocessed Narcotics materials or Uranium Ore in the UK GB Hindi Pakistani Embezzlement and Racketeering game without regard to Justice, Life on Earth or Good work from good people or any good Aryan Christians.

All work that was supposed to come from the World Peace Organizer to teach and train a community of people to "Raise the Barn" was used to raise infrastructure for Narcotics Cult members, Rackteers and Corrupt Actors and Businesspeople only.

Irish - Germanish campaign against all Non Aryans and Narcotics Cult resistors became electronically linked to a "Jewish" label. With all enemies known and no enemies not of the UK GB's planner's mind in the 1980's, the Acting community built up a system exposed in KevinSpacey's work to stalk the heads of transportation companies and State and Federal agencies, learn the routines of Companies working with the Federal government and use "Other People's Money" to provide signals or signs of Aryan planning in a Shell game only.

Use of Electronic Economic Terrorism "intersection pressure plate" method would cause Non Aryans to commit crimes only Aryans would be think about at the time. The Aryans, the UK GB are provably the only aggressors on Earth.

Signals and signs would appear in News Agencies of other countries without any reality behind the delusional Aryan plan of World Dominance. A expanded version of Old European exploitation of any country with use of Old European 'icons' like the autobahn had automatically duplicated itself in the weak communities of people trying to survive in business with Non Aryans.

A Larry Flynn approach to politics became the standard in the Acting community of the UK GB Ten Downing and United States while the rehearsed and planned Russian - United States war became the screenplay for any Central and South American activity where educated and non educated Muslims for some reason behaved as though they did not know how to work with a

Lawyer to gain access to the United States. Hindi Pakistani and Latinos are playing the part of the Russians in this scenario affected by the slow pace of Russian satellite directed people.

Russian Bordello structure that had some people electronically kidnaped was copied in the Acting community by people who thought that was how to gain “Top Dog” position in the Nazi Narcotics Cult.

Actors would have their own bordello and kiddie porn ring molesting electronically the targeted person while the targeted person was trying to do work.

Power Brokers of Political and Business Leadership in any country:

UK GB actors pretended to be the European Leadership and created a model for the Hindi Pakistani to follow. European Leadership have been kidnapped like Harry Potter in the basement storage closet whenever news would try to reach them to help them free themselves of the Actor’s scripted shell game of Aryan or Narcotics supremacy. All directives to the acting and narcotics cult community are from the UK GB only. Any television personality has a power broker, stalkers that are directed to direct purchases, habits, tastes, likes, dislikes and activity of the stalked person.

Hindi Pakistani trying to play a courtship protocol game with the actors while knowing courtship protocol isn’t a way of Life or a way to dictate Life, are automatically attacking anyone that would have assisted the Third World Countries out of poverty and anyone who doesn’t want Narcotics and Pharmaceutical companies to run their lives. World Bank Group and International Monetary Fund employees were used.

UK GB have created these Life threatening situations and are having fun showing off.

UK GB Citizens and people acting like UK GB Citizens don’t know what they’re doing:

Communities of actors, news agencies, and public relations firms are being stalked by UK GB citizens that don’t know what they’re doing but have a way of being that would cause anything they’re hearing about or experiencing as strange into their work, further spreading any narcotics activity in Television, in television gimmicks, and commercial activity that would exponentially condemn good people and any attempt any Christian would have at saving Christianity from the dictatorship of the ECHELON Space Satellite System. Any European using the system most likely have no control of what they say or do, think and put into motion. The UK GB and Narcotics Cult is out of control.

Stalkers trying to save their skin are probably under the impression that they would save themselves if they automatically devised ways to disseminate information on targeted people. The information isn’t necessary, it’s not of interest and the UK GB Actors trying to escape guilt are trying to use other people to do their “Super Freak” spying game for them.

Methods of Terrorism, Extortion, Terroristic Threatening using Electricity:

Electronic Economic Terrorism,

- Psychosomatic Illnesses, Illnesses that are of the type that could be “cured” with a wave of an electronically charged hand or the type you see on Evangelical stages,
- Electronically Pushed Emotions, stalkers use pressure plate of road intersections as a emotional mechanism,
- Electronically Produced Feelings from actors stalking someone using a storyline in their mind,
- Memories, targeted people’s memories of trauma or childhood used in their minds only,
- Movie Characters, movie-linking stereotyped characters to electronically isolated people,
- Modernism, “Styles”, actors have “Styles”, most stereotypes are “Styles” the UK GB used to electronically gentrify Non Aryans, automatic habits electronically enforced in the Array of the targeted person,
- UK GB Myopic De-Evolution campaign, use of the Narcotics induced delusion of never having advanced as a Ancestry or not having advanced themselves to extinction while being connected with Old Europe’s ancient roots,
- Electronic Kidnaping and Targeting, electronically setting a future for a stalked child that isn’t of the parent’s mind or intent, stocks sold and bought would signal intent to target people or group of people.
